FAT CATTLE SHOW BIGGER THAN EVER

Over \$5,000 In Cash Prizes To Be Given At Exhibition In Louisville This Week

(By Associated Press)
Louisville, Ky., Nov. 20.—The Fat and Feeding Cattle show and sale to be held at the Bourbon Stock yards, November 23 and 24, promises to be larger than ever before, according to reports received at headquarters here. Over 30 carloads of fat cattle in addition to the entries of the Junior Agricultural Clubs, and feeders will be included in this show and sale.

Total cash prizes amounting to \$5,125 with cups and medals are counted on to bring together the choicest selection of fat and feeding cattle from Kentucky, Tennessee, Mississippi, Alabama, and Georgia, the contest being limited to those five states. On the cash prizes a large amount has been donated by members of the Louisville Live Stock Exchange. Competent judges have already been selected from the leading cattle men in the country.

There will be sixteen rings and fifty awards. The best carload of fat steers 1200 pounds and over will receive the top premium of \$500, for the carload under 1200 pounds \$400 for the best. In addition to the carloads there will be awards for the best five steers from carloads, best single steer from carloads over 1200 pounds, and best single steer from carload under 1200 pounds. The feeder awards are divided in two sections, carloads 1,000 pounds and over and carloads under 1,000 pounds.

One of the features of the show will be the Junior Agricultural Club Exhibit which will consist of twenty-five carloads of prime baby beefs being fed by the boys and girls clubs and competition is keen for the liberal prizes to be awarded in this division. A large number of the boys have written the committee that they will attend the show and arrange for the purchase of their requirements while attending the show.

The prizes in the feeder division will bring together many choice feeding cattle, and stock men will have an opportunity to purchase their requirements while attending the show.

In connection with this show 25 Hereford, Angus, and Shorthorn registered bulls from the leading herds in Kentucky will be offered.

With the large number of entries on hand and the keen interest that is being displayed in both the stockmen and the packing industry the show is an assured success. The judgment will take place on November 23 with the sale the following day.

CLAYHOLE SUIT IS DISMISSED

(By Associated Press)
Lexington, Ky., Nov. 20.—Mrs. Delilah Combs in Circuit Court here today, dismissed the suit against M. S. Grain and others for damages, due to death of her husband who was killed in the Clayhole election battle in November last year. The suit was dismissed without prejudice to further action by her attorney, Ryland Musick. No reason for dismissal was known here. The suit was one of three for \$10,000 each against Grain, Ed Carter, Willie and Arnie Davis, Marion, Amby and Alfred Barnett, Will Campbell, Ed Combs, Green T. Strong, Clarence Fugate, James Killburn and Tom Miller.

Thoroughbreds Burn At Jeffersonville Stable

Louisville, Ky., Nov. 20.—A. T. Hart and M. Bert Thurman, race horses, and five other horses were cremated in a fire which burned a stable at Jeffersonville early today. The horses were familiar to the racing patrons. The origin of the fire was undetermined. The animals were owned by William Cisco, and the loss is placed at \$20,000.

Clark Killer Pardoned.
(By Associated Press)
Frankfort, Ky., Nov. 20.—A conditional pardon was given to Spiral Smith of Clark County, who is serving a ten-year sentence for manslaughter, today by Governor Morrow. The pardon is conditioned upon his good behavior and lawful conduct.

Smith killed Jim Lammerson which he claims he did in self-defense after Lammerson threatened to kill him.

WETS MEETING IN ST. LOUIS

(By Associated Press)

St. Louis, Nov. 20.—Steps to organize wet forces in every state to obtain modification of the Volstead law were discussed at a meeting here today of the national association opposed to the prohibition amendment. Predictions were made by delegates that the liquor question will in all probability be the principal issue in the 1924 campaign. Delegates denied that a third major political party, favoring amendment to the Volstead act, is planned. George S. Vest, secretary, said the association aimed to insert "wet" planks in both political party platforms and thereby give the organization the balance of power.

TWO INDICTMENTS FOR NARCOTIC SALE

In addition to the flood of indictments for violation of the prohibition laws which was returned last week by the federal grand jury two indictments were brought in against a couple of Lexington physicians for alleged violation of the federal narcotic laws. The doctors accused are Elmer Northcutt and W. E. Williams. There are four counts against Dr. Northcutt for alleged sales of morphine and other narcotics to Flo Vivian, Rose Turner, Henry Lawrence and Joe Neal. The indictment against Dr. Williams contains four counts also, the sales having been of cocaine and other narcotics. It is alleged to Wm. Hollers, Sam Baughman, George W. Rodgers and Flo Vivian, all in violation of the federal narcotic laws.

GEORGIA HAS TOO MANY SENATORS

(By Associated Press)

Washington, Nov. 20.—Mrs. W. H. Felton, unseated by what is going on around her, took the most direct method today to press upon Senate leaders the fact that she was the first woman senator, as the first woman senator would be through a failure of hers. Before the Senate met, she sent her hat and coat to the cloak room and took up her position on a sofa on the democratic side with the senatorial commission as senator from Georgia in her lap. Meanwhile Senate leaders are perplexed as to whether they will allow her to take the seat in view of the election of Walter F. Hardwick as her successor. Mrs. Felton indicated that she would present credentials when the opportunity was offered and then if not honored she would make a speech.

Congress Convenes In Special Session Today

(By Associated Press)

Washington, Nov. 20.—Congress convened today for a special session called by President Harding to consider the administration ship subsidy bill upon which he expected to address Congress Tuesday.

The Senate was in session thirteen minutes and adjourned until tomorrow out of respect to the memory of the late Senator Watson of Georgia. Mrs. Felton was given no opportunity to present her credentials.

DEADLOCK ON NEW NORMAL SCHOOL SITE

Frankfort, Kentucky, Nov. 20.—Eighteen ballots taken by the State Normal School Commission Saturday resulted in a deadlock between Morehead and Paintsville and the commission adjourned to meet again next Saturday morning at Lexington when, in addition to voting on the site for the Eastern school, a conference will be held with the State Board of Education in regard to opening the Western School at Murray.

The commission accepted the bonus of \$100,000 from Murray and accepted the site on the 30-acre tract just outside the city, owned by Rainey T. Wells, chairman of the State Tax Commission, and Dr. E. B. Houston. The selection was unanimous.

The votes were rendered on a few ballots and then settled down to Paintsville and Morehead. On the concluding ballot it stood just as it had at the beginning: Chairman E. C. O'Leary, Thomas A. Combs, Sherman Goodpastor and E. W. Smith for Morehead and J. L. Harrison, Judge Arthur Peter, Alex. G. Barrett and W. S. Wallen for Paintsville.

MRS. LEON RENAKER SUES FOR INSURANCE

(By Associated Press)

Winchester, Ky., Nov. 20.—Mrs. Nancy Renaker, widow of Leon Renaker, who was slain in his bed at his home here last July, today brought suit against a number of life insurance companies, for payment of policies of which she was the beneficiary, on the life of her husband. Some of them had indemnity clauses providing for payment of double the face of the policy if Renaker was killed by accident or violence. The amount in controversy in the suits filed is \$10,000. Five suits were filed against companies including the Intersouthern Life Insurance Company, two policies of \$2,000 each; Aetna Life Insurance Co., two policies of \$5,000 each; Metropolitan Life Insurance Company one policy of \$5,000 and the Equitable Life Assurance Co., two policies of \$1,000 each. The three last named carry double indemnity clauses.

Renaker carried \$52,300 insurance on his life. Last summer one of the companies paid a policy of \$2,000. A week later another company paid its policy for \$4,000. Another policy is for \$6,500 on which suit has not been brought.

NEWBERRY RESIGNS SEAT IN SENATE

Washington, Nov. 20.—Senator Thomas J. Newberry, of Michigan, whose right to a place in the senate has been a subject of long and bitter controversy, has submitted his resignation with a request that it become effective immediately.

In a letter to Governor Grossback, Mr. Newberry said he had been impelled to retire voluntarily because of the defeat of his republican colleague, Senator Townsend, in the election of November 7. The turn of events, he said, would make it futile for him to attempt to continue his public service since he continually would be hampered by partisan political persecution.

The resignation brings to an end a fight which already had made political history and which it appeared would be resumed early in the session of congress which begins Monday. Convicted in Michigan of a conspiracy to violate election laws, Senator Newberry appealed to the supreme court, which declared unconstitutional the statute under which he was convicted. The senate itself after a long investigation, finally confirmed his title to a seat by a margin of five votes. In the campaign just closed the case was an issue in many states.

Newberry Successor Not Named By Governor

(By Associated Press)

Detroit, Mich., Nov. 20.—Governor Grossback today refused to say who would be appointed to succeed Senator Newberry, who resigned last night. Several persons are mentioned, including Charles B. Warren, ambassador to Japan, and Mayor James Couzens.

Mrs. Moberly Loses Father

Mr. Carter Forrester, 49 years, died at his home at Gray's Knob, early Monday morning after a two weeks' illness of typhoid. His death came as a shock to his family and friends, as his condition was not considered serious until a short time before his death. Mr. Forrester has frequently visited his daughter, Mrs. S. N. Moberly, of this city, and made many friends here who will be sorry to know of his death. He is survived by his wife and three daughters, Mrs. Rees, Mrs. Mitchell and Mrs. Moberly, all of whom have the sympathy of many friends in their bereavement. Interment will take place at his old home in Virginia.

Dies In Tennessee

Many relatives and friends here were grieved to learn of the death of Mrs. Hattie Maupin West which occurred at the home of her daughter, Mrs. Morgan, in Knoxville, last week. Mrs. West was the widow of William West, who died just a year ago and is survived by four children and two sisters, Mrs. Crawford, of Stanford, and Mrs. Kincaid, of Mississippi. Mrs. Florence Bales, of this city was a relative. Interment at LaFollette, Tennessee.

NEW HIGHWAY THRU MADISON

Richmond Invited To Send Representatives To Meeting At Irvine On Dec. 1

The Daily Register has received the following self-explanatory letter from Carter D. Stamper, of Beattyville. The matter is referred to the Chamber of Commerce, which will undoubtedly name delegates to attend the meeting mentioned, as it opens an opportunity for Richmond to take important place on another great highway. The letter follows:

Beattyville, Ky., Nov. 16, 1922.
Mr. S. M. Sauley,
Richmond, Ky.
My Dear Sir:—

On the 9th instant a number of the business men of our city met and proposed the organization of a highway association to promote the building of a highway from Lexington to Cumberland Gap, and suggested the name "The Kentucky Highway Association." This highway to run via Richmond, Irvine, Beattyville, Booneville, Manchester, Barbourville, Pineville and Middlesboro. We also organized the Lee County Division and elected the above named officers and issued a call for a general meeting of the citizens of the cities and counties through which this road will run, to be held at Irvine, Kentucky, on Friday, December 1st, 1922, at 8 p. m., at the New Wallace hotel.

We suggest that you call together the business men of your city and county who are interested in this proposition and organize a Madison County Division and elect officers for your county. Also name a large delegation of your citizens to attend the Irvine meeting. When you have done this, will you please advise the names of the officers elected for your county and also the names of those who will attend the Irvine meeting in order that I may make the necessary reservations. I also suggest that you notify me of the action taken by your county not later than November 25th.

A number of those who are prominent in the building of good roads in Kentucky have been invited to attend this meeting. We are expecting a large gathering and a great meeting.

We believe the building of the road can be accomplished when completed will be the most popular and beneficial highway in the state.

Wishing you every success in the organization of your county division and expecting to meet large delegation of your people at Irvine on December 1st.

Yours very truly,
CARTER D. STAMPER,
Secretary Lee County Division Kentucky Highway Association
A banquet will be given in the evening of this Irvine meeting.

EASTERN LOSES TO TRANSY FRESHMEN

Again playing on a rain soaked field, Eastern Normal was defeated by the Transylvania Freshmen in Lexington Saturday on Thomas field by a score of 15 to 0. The sloppy going resulted in many fumbles and the play being only straight football.

The Freshies made their first score about five minutes after the opening of the game. They were unable to make their yards, so punted to Captain Stone who was tackled behind the goal line. The safety accounted for two of Transy's points. This was the extent of the scoring in the first quarter.

In the second quarter Transy scored two touchdowns. They were able to account for the first thru heavy penalties inflicted upon Eastern as Transy approached her goal line. Eastern's line held for three successive times under the shadows of her goal posts but Burns carried the ball over by inches on the fourth try. The forward pass was responsible for the second Transy touchdown. Adams carrying the ball over. Gividen made the extra point by a place kick.

Eastern was much the better team in the third quarter when she carried the ball for many good gains. Captain Stone was her stellar offensive player. He carried the ball most for Eastern and peeled off good gains almost every time he got his hands on the ball. He and Moberly were the outstanding men for the locals. The last name intercepted a pass in the last quarter, stopping a Transy advance which had carried the ball to Eastern's 30 yard line. Coleman Covington, Eastern's right end, stopped many of the Transy plays by his fine defensive work. The line-ups:

Eastern: Wordle; Davis; Spencer; Carr; Hampton; Lewis; Covington; Stone; Holt; Long; Powell.
Transy: Gividen; Walters; J. Morrison; Baker; Thompson; R. Morrison; Wyatt; Mathews; Burns; Adams; Hamlin.
Substitutes: Eastern: Moberly for Long; Combs for Lewis; Jayne for Davis; Transy: Barton for Hamlin; Hamilton for Walters; Walters for Thompson; Fielding for Morrison; Alexander for Wyatt; Henderson for Fielding.
Officials: Byars and Tinsley.

DILLARD HILL 2ND IN FUTURITY CHASE

Madison Fox Hounds Right In Front In Eig Meet In Ohio.

Washington C. H., Ohio, Nov. 18.—The 25th annual meet and field trials of the National Fox Hunters' association closed Saturday with the announcement by the judges of the winners in the Futurity chase. In this event of dogs started, none over 22 months old. Following are the winners: First, Big Sister, owner M. Tristail, Greensboro, Ala.; second, Star, owner Dillard Hill, College Hill, Ky.; third, Clifton, owner M. Brimard, Hartford, Conn.; fourth, Sam, owner A. M. Woodford, Winchester, Ky.

W. K. Herrin, owner of White Rowdy, from Hunter's Rest Kennels, Wartrace, Tenn., winner in the all-age event, stated to say he had refused 2,000 for the winner, and would not accept \$5,000, a record since August shows he won first in a field of 109 dogs at Wartrace, Tenn., and in 125 at the National meet here, a total of 234. White Rowdy won the Kentucky Derby two years ago.

Judge A. G. Thompson, of West Union, Ohio, who has been in attendance at the national meet here this week, is one of the enthusiastic fox hunters of the state. Speaking of the endurance of the red fox and the fox-hound the Judge stated that a good red fox and a real fox-hound could start in a chase at Toledo at 1 o'clock in the morning and arrive in Cincinnati, a distance of 212 miles, for a 12 o'clock dinner, not stopping en route for food or drink. No other known animals could perform such a feat. No horse and rider could stay with them a third of the way across the state.

It is conservatively estimated that the hound chasing a fox steps off 20 miles an hour, and they have been known to keep this up for two days continuous performance. The fox takes as much delight in the chase as does the hound, and they rarely ever allow themselves to be captured. The visiting fox-hunters were delighted with the meet, and unanimously voted to hold next year's trails here the second week in November.

Mr. Maigne has directed Lionel Barrymore in "The Copperhead," Mary Miles Minter, Monte Blue, Tom Meighan and other well known stars of other companies, and put out two special Charles Maigne-Paramount productions, "The Firing Line" and "The Fighting Chance," both adaptations from Robert W. Chambers' novels. He directed Alice Brady in "Redhead."

Big Farm for Sale in Shelby

Shelbyville, Ky., Nov. 16.—The 541-acre farm between the Eminence and Burks Branch Pike, owned by B. A. and Warner J. Long and the Richard R. Rutledge estate, was sold today on her judgment of the Shelby Circuit Court for \$47,000.41, an average of \$87 per acre.

The first tract, containing the residence and 260 acres, was bought by S. F. Caudill at \$92.50 per acre. Tract number two of 160 acres was sold to D. P. Lighter for \$87 per acre. The third tract of 180 acres was purchased by Melvin Sams for \$89 per acre. The total amount realized for the land, for which the buyers paid \$95,000 in 1918, was \$12,500 less than the amount of debt for which the place was originally sold.

Eighth Child Best Physically, Says M. D.

London, Nov. 20—"The first child has the worst record for disease and the eighth child and upward the best." This is the result of an exhaustive inquiry by Dr. R. H. Vercoe among the school children of Essex. "The eighth children," he says, "are inferior to none and superior to the oldest children in small families."

In intelligence, weight, height and other qualities the differences are slight, but the following are notable. Intelligence rises slightly from first child to third, then drops to the sixth, and rises again to the eighth child. The tallest and heaviest children are the latest born while the shortest and lightest are the second and sixth. The eldest child as a rule, has the lightest colored eye, while the eighth has the darkest. In defects of vision the first and second children are worst, while the third child comes out best. In general defects the first child is slightly the worst and the eighth by far the best.

They Happen In The Best Of Newspapers

Paying tribute to one of the veteran educators, a dignified old gentleman of 75 years, the Louisville News was the victim of a villainous typographical error when it said:

"He has been engaged in educational work throughout the years of his maternity."

This is a reminder of one of the stories they tell of Abraham Lincoln. One of the predecessors of Susan B. Anthony was discussing equal suffrage with the President and demanding to know "why women should not have the ballot as well as men," she said: "Mr. President, what is the difference between us anyhow?" "Madam," replied Mr. Lincoln, "I cannot conceive."—Louisville Times.

SWIFT'S PRODUCE REVIEW

The butter market has shown a stronger tone during the week bringing about an increase in country prices for butterfat. The Chicago market for standards was 32 1-2 cents on August 1, and 45 cents on November 16, making the market nearly 40 per cent higher than on the earlier date.

The market rests on a solid foundation of broad demand from consuming trade, which has made these higher prices possible.

It is not expected that foreign butter will be much of a factor in influencing domestic prices, unless the market should work higher.

Quality of butter manufactured would be better if more care and attention were given to the handling and if there were more

Mrs. Swink Was Blue Over Her Health

Among the thousands of North Carolina people who have realized the fact that Tanlac brings health, strength and happiness is Mrs. Janie Swink, Myers Mills, South Gastonia, N. C. Mrs. Swink says:

"Before I took Tanlac I could not work half my time, and when I did work night would find me completely exhausted. I could hardly eat enough to keep alive, and night after night I would toss and roll with an awful headache. At times I felt so discouraged and blue I could hardly stand it."

"If it had not been for Tanlac I would still be a sick woman, for nothing else ever did me a bit of good. I have taken four bottles now and haven't a trouble in the world. I eat anything I want, sleep good every night and don't know what a headache any more."

frequent deliveries of cream. Fresh eggs are in light supply and prices are working higher for really fine stock. Storage eggs are selling at better prices, but stocks are larger than last year.

Poultry movement, due to better weather conditions for marketing, has increased, and prices are generally unchanged throughout the producing territory.

KENTUCKY FACTS.

MOTHER!

Your Child's Bowels Need
"California Fig Syrup"

Hurry mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. It constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get a imitation fig syrup.

LETTERS MAILED CAN BE RETURNED

No doubt there are many local people who would like to have some of the letters they have mailed back in the possession, having changed their mind or thought the matter over more fully. This can be done under the postal laws and regulations. The process is simple. Any

one in such conditions can go to the local postmaster and explain to him that you would like to withdraw your letter from the mails. He must do this for you providing that you can furnish proof that you are the sender. You must give an accurate description of the letter you wish to get back besides providing the postmaster with a sample of your handwriting, which must be identified with that on the original letter.

RACIAL CONFERENCE FOR DECEMBER

(By Associated Press) Louisville, Ky., Nov. 17—Governor Edwin P. Morrow is scheduled to preside and make an address at the opening session of the Third State Inter-racial Conference which will be held here December 15-16 under the auspices of the State Y. M. C. A. "Some Kentucky Problems Requiring Inter-racial Co-operation in Their Solution" is to be the theme of the conference.

The problems include negro education, the contribution of the press to right race relations, justice in the courts, and the co-operation of white and negro people in reducing crime and in securing proper punishment of criminals where both races are involved.

Among the speakers at the conference will be Dr. W. W. Alexander, Atlanta, Ga., director of the Inter-racial Commission; Dr. George E. Haynes, New York, secretary of the Race Commission of Federal Council of Churches of Christ in America; Dr. I. Garland Penn, Cincinnati, secretary of the Educational Board of the Methodist Episcopal Church; and P. C. Dix, State Secretary of the Young Men's Christian Association, who will speak on race relations in the light of his observations and experience on his recent tour of European countries. Mr. Dix spent seven months in Europe.

Dr. James Bond, director of the Inter-racial Commission for Kentucky, will make a report on the work accomplished since the last conference, a year ago. Churches, women's clubs and civic organizations throughout the state have been invited to participate in the conference and the suggestion is made that delegates be sent to carry back to the home organizations full reports of the discussions and findings.

George Colvin, Superintendent of Public Instruction, has been asked to speak on "Problems of Negro Schools." Dr. S. C. Gardner, of the Southern Baptist Theological Seminary faculty, will make an address on "The Importance of the Introduction in Kentucky Colleges of Courses on Race Relations."

PROPOSE NEW S.S. LESSONS

(By Associated Press) Minneapolis, Nov. 17—Holding that the international series of Sunday school lessons in Protestant churches of all denominations have not been satisfactory and that the elective method of study fails to give a connected knowledge of the Bible, the World's Fundamental Christian Conference Committee has recommended that the international series be dropped and a new series adopted.

Action of the committee to create a new Sunday school Bible course will have a nationwide effect and will result in extended discussion throughout the world by those refusing and those who adopt the new study. It was said here today by J. Frank Norris, head of the committee, upon conclusion of the work.

Agitation for the change was evident for several years past and at the last Fundamental Christian Convention in Los Angeles, which was made up of representatives from every Protestant denomination in the United States, Canada and eight foreign countries, the committee which recommended the important change was appointed to formulate a new series, according to Dr. Norris.

"It no doubt will provoke comment," Dr. Norris declares, "but the new lessons will teach a whole connected version of the Bible, not elective parts as heretofore, and the growing generations will be not satisfied with a partial if not emulsified gospel."

The committee advises that beginning January 1st and thru September 1923, the studies be given in the Gospel and Epistle of John.

Naming several reasons for its action, the committee declared the prevailing methods of Bible study now in vogue are not satisfactory to the most effective Bible students of the world nor to the Sunday school public at large. "The elective method has

too often resulted in unrelated lessons and consequently has failed to give a connected and comprehensive knowledge of the Word," the report reads. "The greatest single reason, however, for this action," the report continues, "is in the interest of truth as opposed to falsehood."

Fine Madison County Farm Known as "Ellendale" at

COMMISSIONER'S SALE

Madison Circuit Court,
JOHN R. GIBSON'S ADMINISTRATOR, Plaintiff,
JOHN R. GIBSON'S DEVISEES AND CREDITORS, Defendant.

Pursuant to a judgment and order of court in the above entitled action, the undersigned commissioner of the Madison Circuit Court will on Wednesday, November 29, 1922, at the hour of 11 o'clock A. M., at the mansion house on the premises hereinafter described, will offer for sale the landed estate of the late John R. Gibson, known as "Ellendale," and more particularly described as follows:

This tract of land contains 176.63 acres and has been sub-divided by a civil engineer into four tracts, as shown from the blue print filed with the papers in this action.

TRACT NO. 1—Contains 65.26 acres and on which is located the mansion house and outbuildings. This tract of land fronts the Lancaster Pike, adjacent to the Eastern Kentucky State Normal School and the mansion house, and barn are watered from the water works of the City of Richmond, Ky., and lighted from the city lights.

TRACT NO. 2—Contains 34.99 acres and lies east of the property of the Eastern Kentucky State Normal School and is reached by a forty foot roadway leading from the Lancaster Pike in an easterly direction along the south edge of the property of the Eastern Kentucky State Normal School, as shown from the blue print above mentioned.

TRACT NO. 3—Contains 35.48 acres and lies just east of Tract No. 2, and is reached by the same roadway as is tract No. 2.

TRACT NO. 4—Contains 38.89 acres and lies just east of Tract No. 1, and south of Tract No. 3. This tract is also reached by the same roadway mentioned above.

The commissioner will first sell Tract No. 1, then tract No. 2, then Tract No. 3, then Tract No. 4 or enough of one or more of said tracts to bring the sum of \$54,000.00. After selling said tracts of land separately the commissioner will then offer the same as a whole and accept the bid or bids bringing the most money.

This property is in a high state of cultivation and is as well or better located than any other property near the City of Richmond, Kentucky, that will be offered for sale in the next fifty years. For horses, and for people who wish to live in and near the Normal School or the Madison High School this property cannot be excelled. It is adjacent to the city limits of the City of Richmond, Kentucky, with all advantages enjoyed by the residents of the city and without the burdens of taxation borne by residents of the city and fronts the busiest and most up-to-date thoroughfare in the city of Richmond. The residence and outbuildings on Tract No. 1 consists of an eleven-roomed, brick colonial homestead with all modern conveniences and in perfect repair, costing over \$40,000 and two tobacco barns, tenant house, garage, scales and stock barns and other outbuildings, vineyard and orchard. This property is now ready to be cultivated or put to any use the buyer may see fit. Per sons desiring to see the subdivisions can see the same at my office or in the office of the circuit clerk.

TERMS—This property will be sold on a credit of six, twelve and eighteen months, the purchaser or purchasers being required to execute bonds for the purchase money, bearing interest at the rate of six per cent from date of sale until paid, payable to the commissioner. Possession of said property will follow confirmation of the sale, except the residence property and possession of that will be given when the terms of the sale are complied with. A lien being retained on the land sold until said bonds and interest are fully paid.
